Seeing Red

It's like waving a red flag in front of a bull. Who's that red-headed, red-billed, red-bellied, red-throated, red-tailed, red-winged, red-backed, red-breasted, red-crested, red-capped, red-crowned, red-chinned, red-collared, red-cheeked, red-necked, red-shouldered, red-sided, red-rumped rascal that's trespassing on his turf, mauling his machismo? So begins the war at the window. He has met the enemy and it is he, himself—the red-faced redbird (Charles Harper).
