**Hostesses (Sally Farrell & Barbara Mitchelson):** Thank you to the hostesses for the April meeting that include Dianne Conrad, Lynn Hines and Anne Parker. The hostesses for the June meeting will be Barbara Mitchelson, Colleen Barton, Jen Lazowski and Dianne Conrad.

### Message from Elizabeth & Marlene

The June meeting is our Covered Dish Scholarship Luncheon. Come at 11:30; we will eat at 12. As usual, please sit at a small table with someone you don't know well. I hope lots of our new members will attend this special luncheon. Everyone brings a salad, or casserole or a dessert and we have the best buffet in town. Don't feel you have to cook or prepare something. Buy a package of salad greens at the Piglet (some even come with salad dressing), put it in a salad bowl and you are set. You could also get something at the Deli or at Brantley's or other favorite source. Put it in your dish and bring it along with a serving spoon or fork if you can. We will supplement with what we have. Simplicity and delicious food is our goal.

At this luncheon, this year's scholarship recipients and members of their families will be introduced. You will also learn about our scholarships and their history. The Scholarships are administered by a committee of the Education Program, headed by Suzanne Gwaltney. This informal luncheon is a great meeting to bring a guest to. Guests don't need to bring anything. Don't worry we always have plenty.

Both Fred A. Anderson Elementary School and Pamlico County Middle School desperately need our help to proctor their end-of-the-year tests. Fred A. Anderson will be testing from May 25th-June 4th. The Middle School will be testing from May 25th-June 8th. For volunteering at the elementary school, call Wendy White at 252-745-4611. For volunteering at the middle school, call Jeralvine Collins at 252-745-4061. Both will provide training the 1st day you are scheuled to proctor.

We are collecting school supplies throughout the year. Please bring any of the following items with you to the next meeting: packages of wide-ruled looseleaf paper, Crayola crayons (24 or less), Crayola colored pencils, Crayola markers, boxes of #2 pencils, boxes of tissues, highlighters, sticky notes, hand sanitizer, and anti-bacterial wipes. We will get them to the public schools early in Sept.

These stones will be painted and sold as an OWC fundraiser. **We will have an evening painting party on June 21, at 6:30 PM at the clubhouse.** Paint will be supplied. Stones painted by Lynn Hines, Linda Parker, Marlene Miller and Karen Van Gamper are on sale for \$40 at First Citizen's Bank.

**Garden Club (Betsy Hughes):** **June 19, 9 AM**, will bring Jayne Stasser to the clubhouse for a program on recycling. On **September 18** Bob Miller will present a program on "Why Birds Matter". Public is invited to both these programs. There will be a road cleanup on **June 26**. Sign up with Gay Radosevich, [gayradosevich@gmail.com](mailto:gayradosevich@gmail.com).

**LET'S READ (Carol McAdoo):** Reading suggestion from Carol McAdoo. *The Widows of Malabar Hill* by Sujata Massey. Bombay raised and Oxford educated, Perveen Mistry is one of only a handful of women practicing law in 1920's India, working diligently to build a career for herself at her father's law firm. When questions arise about a late client's will, religious customs forbid Perveen's father from interviewing the client's three widows, who live in seclusion from public life and from men. However, Perveen, as a woman, is allowed to meet them. She quickly recognizes that the man charged with protecting the widows and their inheritance has only his own interests at heart. What began as a quiet domestic dispute becomes an all consuming obsession for Perveen when a member of the household is murdered and a child goes missing. Inspired in part by India's first female lawyers this novel becomes an engrossing and inspiring story of mystery and intrigue.

**The Village Gallery** turns 10 this year and to celebrate, the gallery on Oriental's harbor invited some of North Carolina's best artists from a variety of mediums to show their works.
