**Opening Remarks:** Welcome everyone! So glad you were able to come today. Thank you to Sally Farrell, Gay Webster and Michele Musella for our delicious treats today. Frankie Savage who is Chair of the Hostess committee joined our club in 2018 and became Co-Chair of the Hostess committee last year and Chair of it this year with her trusted co-chair Sally Farrell...even though Frankie works with her husband running their business...she continues to make time for OWC, meeting new people and helping in our efforts to make a difference in our community. Thank you Frankie for always going the extra mile (and sometimes many miles in order to make it back for a meeting!!) And thank you Sally Farrell for mentoring Frankie and for continuing to bring new life into our Club and for actually driving ladies from your neighborhood here to our meetings...We appreciate all you ladies do for our Club...you do make a difference. The **minutes** of the previous meeting have been read and approved and are posted on our website if you would like to see them. The **treasurer's report** is posted at the back of the room and has been accepted for file.

**Ann or Joanna** can you please introduce our guests or new members for today? Only guest today was our speaker, Eric Kindle.

**Remember EC** committee we will have a brief meeting to discuss the mature CD... after the close of this meeting at 2:30. Thank you very much. Please don't forget to come and support our **Chowder Cook Off** on March 21st at Tiki Bar Marina at 11am...I believe Melissa has something else she would like to say.
