**Conservation:** A trash pickup is planned for 9/30 at 9 AM, meet at Town & Country. Sign up at the September general meeting.

**ESO** recommended reading from Suzanne Jantzen. *Magpie Murders* by Anthony Horowitz. *Magpie Murders* is one mystery wrapped in another. Set in the English countryside, the very successful author-Alan Conway-dies mysteriously before his editor receives the last chapter of his book. She realizes that finding the guilty party in the book will shed light on the death of Conway. This is an Agatha Christie style who-dun-it murder mystery that will keep you guessing to the very end.

**Garden Club:** On **Sept. 19** there is a program scheduled with Daniel Simpson, Ag Extension Agent, as our speaker. **Oct 17**, 9 AM Yard Cleanup at clubhouse.

**House Maintenance:** Thank you to Fay Bond for serving as Monday Girl in July and Karen VanGamber for serving in August. Sharon Morgan will serve in September.

**International Outreach:** Carol McAdoo announces we will "Trick-or-Treat for Operation Smile at our September and October General Meetings. Operation Smile - a GFWC Partner - sponsors medical missions around the world to correct cleft lip in children thereby changing the lives of these children and giving them a chance at a new future. GFWC and Operation Smile have launched "The Campaign for Children's Smiles", a year long, \$150,000 fund raising campaign to sponsor an Operation Smile medical mission in 2018. In as little as 45 minutes and for \$240, a single surgery can change a child's life. Look for the Smiling Green Pumpkin at the meetings. **Operation Christmas Child** - the shoebox project - brochures will be available at our fall meetings. Filled boxes will be due at the November General Meeting.

**Ways & Means:** Special thanks go out to Sally for doing a super job on our golf tournament. Her committee and many OWC members helped with donations of food for breakfast and items for goodie bags for the golfers as well as work the event. Thank you to all those who helped in some capacity. Sally secured 36 sponsors listed below. Please remember them as you shop and give them a big thank you. They are what make our tournament a success. **Our profit for this event is \$5,113.**

In November, WOOCHANG will create holiday wreaths. As in the past, wreaths will be created using shared items such as greens, berries, old ornaments, artificial fruits and nuts, and ribbons and bows, etc. One may take apart an old wreath and use it to build a new one.
